

Mitsuli Technology has twenty years of experience in system integration and AI design, combining outstanding achievements in stable and high-speed network monitoring systems.

We dedicate to providing explosion-proof high-resolution surveillance and furnace-camera-image-recognition systems. No matter how specific our clients' requirements are, we will provide excellent customized solutions for you.

強頓科技，結合二十年來，系統整合與AI智能設計的經驗，跨足新時代穩定、高速度的網路監控系統領域，致力於提供防暴高解析安全監控與高溫加熱爐內的影像辨識系統。

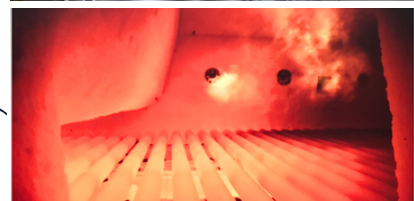

無論多麼特別的需求，我們都能提供絕佳的客製化解決方案，節能減碳進而提高效率與品質，達成AI智慧監控環境。
